About NASTAD

NASTAD's vision is a world free of HIV and viral hepatitis

- NASTAD is a non-profit association that represents public health officials who administer HIV and hepatitis programs in the U.S. and around the world.
- We strengthen domestic and global governmental public health through advocacy, capacity building, and social justice.

TO DATE, THERE IS ONE LOCAL HCV ELIMINATION PLAN

MANY MORE ARE ON THE HORIZON

Cherokee Nation Lauded for Hepatitis C Elimination Effort

One of the largest Native American tribes is the first community in the US to implement a hepatitis C elimination program to treat its citizens; federal officials say the initiative could serve as a national model.

Inslee unveils first-in-nation approach to eliminate hepatitis C in Washington by 2030
